WAIT, LUIGI-

-THEY TOOK MY ICE FLOWER!

???: Not so fast!

Ow...

Name's Cooper! It's SO good to see you again after my lunch break!

Owowow! Get OFF ME!

LUIGI: You’re hurting a CHILD-
COOPER: Oh, this thing? You’re right! My turmoil is with you, not this blob here!

COOPER: He’s all yours!

SG: What if I froze ya and then tossed ya into the flames below, eh?

What makes you think I don't want that?

DB: Yikes, I forgot this one is a scrambled egg.
SG: Yeah, no kidding...

?
COOPER: YOU TOOK EVERYTHING AWAY FROM ME. WHAT DO YOU MEAN “NUH-UH?”
LUIGI: Sorry that I don’t remember you at all. You all look the same...

DB: Maybe he’s acoustic.
SG: Doug, we’re trying to kill him. Just call him the slur.

DOUG: I’m not that kind of person.
SG: ...I am. He’s retar-

FELICITY, NO!

Look, your...king...guy is knocked down! Just back off, or something!

You'll definitely want me to stick around after I tell you this!

He has one foot in the grave.

I don't understand this idiom...

???

???

LL: What does that mean? Weegee, what does that MEAN???

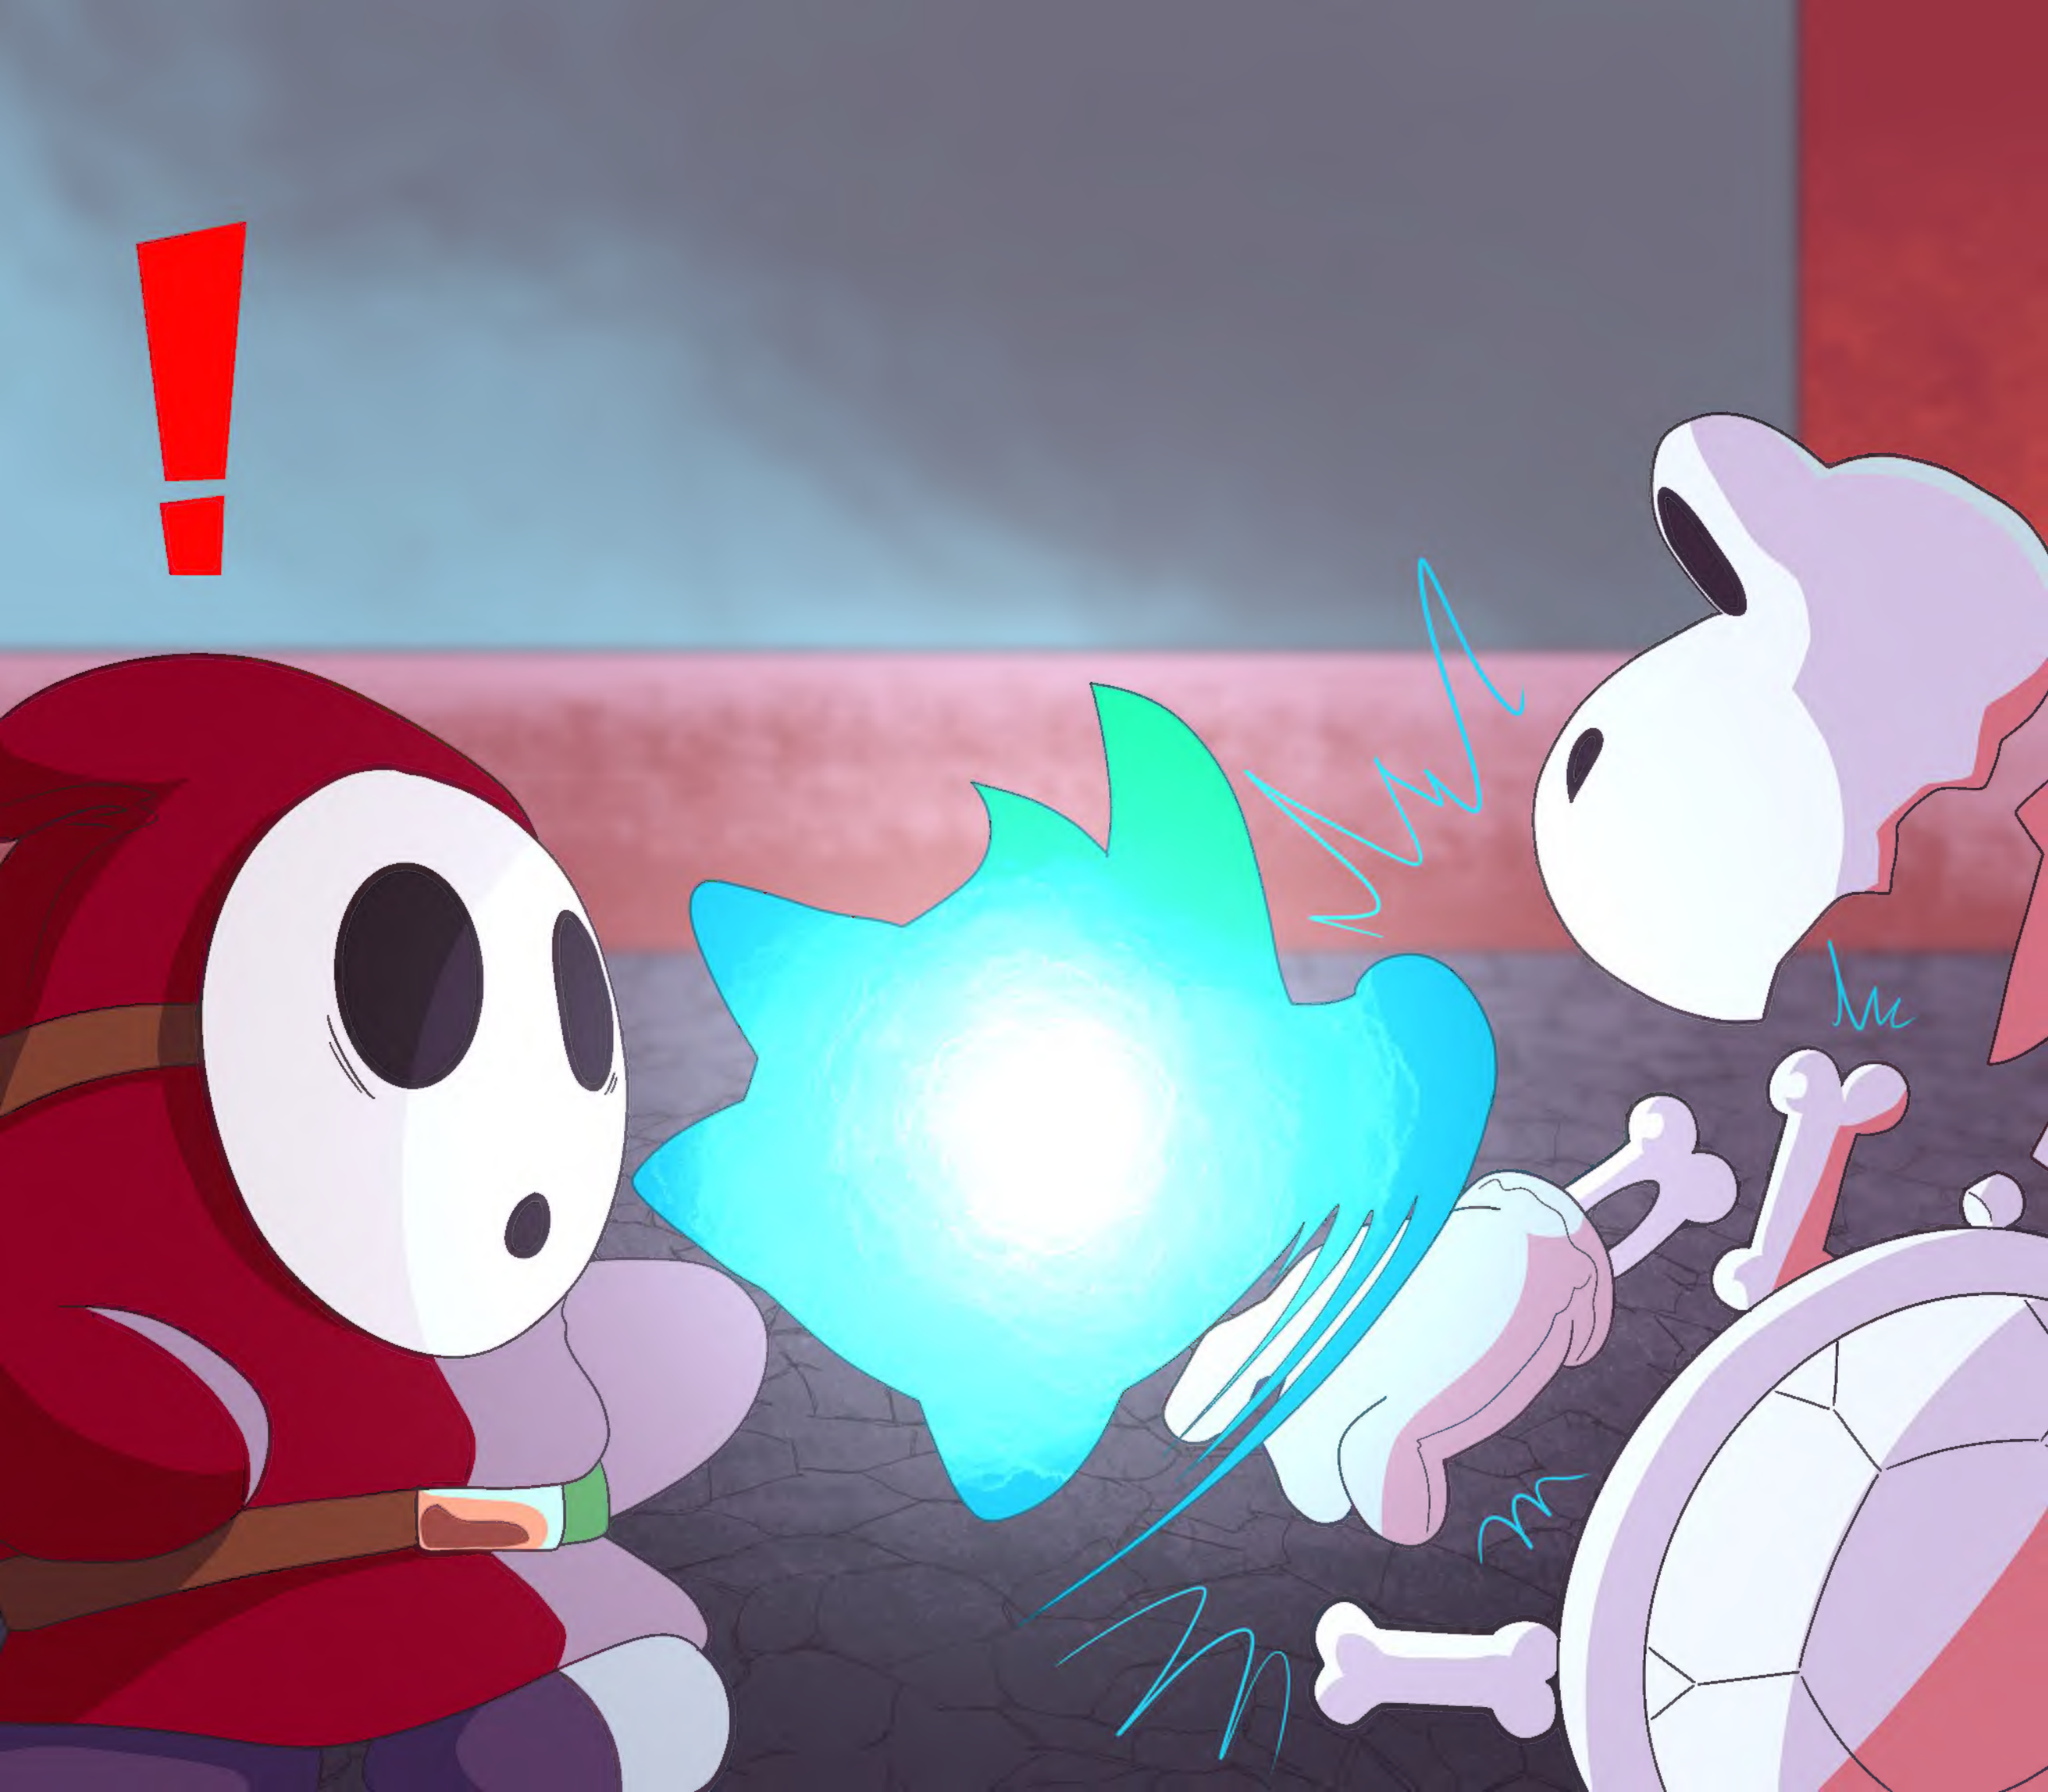
Is that...!?

KP's...?!

FOOT?

Ewww, Cooper! I can't believe you kept the foot after our royal Magikoopa told you to toss it!

DOUG: Keeping the foot was definitely more morbid than sawing it off. Not even me, dude.



KP promised me...

...that he'd COME BACK FOR US!
